SUMMARY

A highly motivated and detail-oriented Backend Developer, with a strong foundation in building and maintaining web applications.

WORK EXPERIENCE

Aug 2023 - May 2024 **KodNest Technologies, Bangalore**

Full Stack Developer Intern

- Completed a comprehensive **Full Stack Development** course, gaining proficiency in both frontend and backend technologies. Acquired hands-on experience in developing dynamic web applications.

EDUCATION

2020 - 2023 **Nutan Institute of Management, Davanagere**

Bachelor of Computer Applications (BCA) - 7.5

PROJECT

2024 **TuneHub**

- **TuneHub** is a web-based music streaming platform that allows users to stream music, create playlists, and search for songs, artists, and albums. The app offers a seamless user experience with secure user authentication and real-time music streaming.

2023 **Drug Shipment App**

- The **Drug Shipment App** is a web-based application designed to track the shipment of pharmaceutical products. The application allows pharmaceutical companies to monitor the status of drug deliveries in real-time, ensuring transparency and reliability in the distribution process. It includes features such as shipment tracking, status updates, and secure user management.
